

Since January 2008, the City of Port Hueneme has experienced numerous incidents of arson, in the areas of Moranda Park, Mary's Market and the Port Hueneme Community Center. The arsons are primarily dumpster fires, however two weeks ago a fire started in a trailer behind Mary's Market that ignited the roof of the building. The fires are frequently occurring during the morning hours between 1:00 and 5:00 AM. The Police Department needs your help. Please call the Port Hueneme Police Department at 805-986-6530 if you see anything suspicious or have any information on these fires. Thank you.
