

CITY OF PORT HUENEME

ANNUAL BEACH PARKING PERMIT

EXPIRES JUNE 30, 2022

PERMIT # _____

PERMIT PLACEMENT: The parking permit is **non-transferable** and must be **permanently affixed** to the **lower bottom corner of the driver's side windshield**. If the permit is not affixed to the windshield, it will be considered invalid and will result in the vehicle being cited.

PORT HUENEME RESIDENT DISCOUNT: A copy of the vehicle's current auto registration must be provided at time of application and must show a **Port Hueneme residential** address. A Port Hueneme post office box does not confirm residency.

MULTI-VEHICLE DISCOUNT: A discount will be given to additional vehicles registered **within the same household** (addresses on registration must match). A copy of the registration will be required. If you are a non-resident, you will also need to provide a copy of the first vehicle's registration and the beach parking permit number assigned to it.

REPLACEMENT PERMIT: If you replace the vehicle's windshield or sell your vehicle, a replacement permit will be issued at no cost provided the original permit is returned to the City. If the replacement is due to the purchase of a new vehicle, a completed application will be required along with the new vehicle's registration. Replacement permits for lost or stolen permits will be issued at full cost.

TIME-RESTRICTED PARKING ZONES: If you park in a time-restricted zone (e.g., a 2-hour parking zone), the vehicle is still subject to the parking restriction. The beach parking permit does not exempt the vehicle from any parking regulations.
